

MINDFUL CHESS

Glen Huntly Primary Chess Club Enrolment Form

Term 1, 2022

Chess has been played for thousands of years across diverse regions and cultures. Chess club provides kids the opportunity to master this timeless art while socialising, having fun and sharpening their minds.

Through this interpersonal challenge it has been shown that kids develop analytical capabilities, foresight, planning, decision making skills, discipline and much more. These skills are helpful in both academic and personal life. While chess inherently involves competition, our club maintains an emphasis on emotional awareness and sportsmanship.

Throughout the term classes will involve learning strategy and tactics, exercises, games and a term-long tournament.

A form must be filled out before your child can attend.
