RECRUITMENT

Glen Huntly Primary School follows the Department's Recruitment in Schools guide to ensure child safe recruitment practices, available on the [Department's website](#).

All prospective volunteers are required to maintain a valid Working with Children Check.

TRAINING AND SUPERVISION

Training and education is important to ensure that everyone in the school understands that child safety is everyone's responsibility.

Our school culture aims for all staff and volunteers (in addition to parents/carers and children) to feel confident and comfortable in coming forward with any allegations or suspicions of child abuse or child safety concerns. We train our staff and volunteers to identify, assess and minimise risks of child abuse and to detect potential signs of child abuse. This training occurs annually or more often as required.

We also support our staff and volunteers through ongoing supervision to develop their skills to protect children from abuse, to promote the cultural safety of First Nations and Torres Strait Islander students and students from linguistically and/or diverse backgrounds and the safety of students with a disability and vulnerable students.

New employees and volunteers will be inducted into the school, including by being referred to the Child Safety Policy (this document), the Child Safety Code of Conduct and the Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures on the school website.

New employees and volunteers will also be supervised regularly to ensure they understand our school's commitment to child safety and that their behaviour towards children is safe and appropriate.

All employees of our school will be monitored and assessed via regular performance review to ensure their continuing suitability for child-connected work. Any inappropriate behaviour will be reported by school staff to the Principal or Assistant Principal and will be managed in accordance with Glen Huntly Primary School's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures [Child Safety Reporting Obligations Policy and Procedures](#) where required.

REPORTING A CHILD SAFETY CONCERN OR COMPLAINT

Immediate actions should include reporting their concerns to DHHS, Child Protection, Victoria Police and/or another appropriate agency and notifying the Principal or a member of the school leadership team of their concerns and the reasons for those concerns.

Glen Huntly Primary School will never prohibit or discourage school staff from reporting an allegation of child abuse. The school will always take action to respond to a complaint in accordance with the school's Child Safety Responding and Reporting Obligations (including Mandatory Reporting) Policy and Procedures. In accordance with Action 4 of the Four Critical Actions, Glen Huntly Primary School will provide ongoing support for students affected by child abuse.

The school recognises there are potential risks to children and young people and will take a risk management approach by undertaking preventative measures.

We will identify and minimise the risks of child abuse in school environments by taking into account the nature of each school environment, the activities expected to be conducted in that environment and the characteristics and needs of all children expected to be present in that environment.

Glen Huntly Primary School monitors and evaluates the effectiveness of the actions it takes to reduce or remove risks to child safety. More information can be found in the school's risk assessment register.
