Yard Duty and Supervision Policy

PURPOSE

To ensure that school staff, as well as the wider Glen Huntly Primary School community, understand the extent and requirements of their yard duty and student supervision responsibilities at the school.

SCOPE

There is a well-organised and responsive system of supervision in place at Glen Huntly Primary School during school hours, as well as during the 15 minutes before and after school hours, and during school excursions and camps.

This policy applies to all teaching and non-teaching staff at Glen Huntly Primary School, including education support staff, casual relief teachers and visiting teachers. It is for the benefit of students as well as the wider school community.

The policy will ensure that the following Duty of Care requirements are met during yard duty, before and after school and during excursions and camps:

DUTY OF CARE:

Whenever a student-teacher relationship exists, the teacher has a special duty of care. "A teacher is to take such measures as are reasonable in the circumstances to protect a student under the teacher's charge from risks of injury that the teacher should reasonably have foreseen."

As part of this duty, teachers are required to supervise students adequately and safely. This requires protection from known hazards, but also protection from those that *could* arise.

The Principal is ultimately responsible for the execution of this policy. School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places.

POLICY

Before and after school

Glen Huntly Primary School's grounds are supervised by school staff from 8:45am until 3:45pm. Outside of these hours, school staff are not available to supervise students. The responsibility to supervise students resides with parents and carers outside of these hours.

From 8:45am to 9:00am in the morning and from 3:30pm until 3:45pm in the afternoon, one staff member will be on duty on the East Site and one staff member on the West Site. East Site staff members will monitor the oval and asphalt areas. West Site staff members will monitor the play area and entrances.

Parents and carers should **not allow** their children to attend Glen Huntly Primary School outside of these hours. Families are encouraged to contact the Outside School Hours Care (OSHC) associated with Glen Huntly Primary school to discuss care arrangements required outside of these hours.

Please visit <https://www.glenhuntlyps.vic.edu.au/ohsc-theircare/> for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- Advise of the supervision arrangements before school
- Request that the parent/ carer make alternate arrangements
- May place the student in an OSHC program (if available) - at the parent's/carer's expense

If a student is not collected when supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- Attempt to contact the parents/carers.
- Attempt to contact the emergency contacts.
- May place the student in an OSHC program (if available) - at the parent's/carer's expense.
- Contact Victoria Police and/or the Department of Health and Human Services (DHHS) (Child Protection) to arrange for the supervision, care and protection of the student.

School staff who are rostered on to before or after school supervision must follow the processes outlined below.

Yard duty

All staff at Glen Huntly Primary School are expected to assist with yard duty supervision and will be included in the weekly yard duty roster timetable.

The Assistant Principal is responsible for preparing and communicating the yard duty roster on a regular basis. At Glen Huntly Primary School, school staff will be designated a specific yard duty area to supervise, in accordance with current EBA and DET working hour conditions.

Zone	Area
Zone 1 (East Site)	Oval
Zone 2 (East Site)	Asphalt

School staff must wear a safety/hi-vis vest (provided) and carry a yard duty bag whilst on yard duty. Safety/hi-vis vests and yard duty bags will be stored at the doors closest to the entrance (both East and West side) for yard duty.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving staff member.

During yard duty, supervising staff responsibilities:

- Methodically and regularly move around the entire designated zone to ensure that all areas are within line of sight to at least one yard duty teacher at a time, particularly investigating areas which may be hidden from sight.
- Be alert and vigilant.
- Intervene immediately if potentially dangerous or inappropriate behaviour is observed in the designated areas.
- Enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in our school's *Student Engagement and Inclusion Policy*.
- Ensure that students who require first aid assistance receive assistance as soon as practicable.
- Log any incidents or near misses as appropriate eg: Compass Chronicles and inform the classroom teacher if appropriate.
- If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal or the office and should not leave the designated area until the relieving staff member has arrived in the designated area.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office on the East Site or send a message to the staff room on the West Site and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

Supervision of students in emergency operating environments

In emergency circumstances, Glen Huntly Primary School will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Year Level Coordinator for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

School activities, camps and excursions

The Principal and Leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
