General Permission Form

2024

During the year, in the course of our planned program of activities, children are taken on various excursions on foot, and for walks around our district - for example, visiting the local shops, the Post Office, looking at autumn leaves, walkathon etc, and to other places of interest in our local community.

In order to save time and paper getting your signed permission each week prior to the children leaving the school grounds to visit places of interest in the local community, we are asking you to complete the form below and return it to school as soon as possible.

Education Department regulations regarding supervision and size of groups will be adhered to during all excursions.

Separate notification and permission forms are required for any other excursions or outings requiring the use of public transport and you will be notified of each major excursion as it comes up.
